LONG CRUISE INFORMATION

Several weeks ago you received a copy of the *Scuttlebutt* with a message and preliminary itinerary for the May 2 - 9 "Long Cruise." The deadline is now approaching for you to let us know if you wish to participate in all or part of this adventure. To date, four boats have signed on for a variety of degrees of involvement. The Wards, Colwells, Rebholtzs and Estabrooks have all made arrangements at various marinas from River Dunes south.

We will hold a Captain's meeting on April 28th, at a location to be named later, to develop our final plans, and, most importantly, our social schedule!

Please contact Tom Miller at ectgmiller@suddenlink.net, or 975-6479, immediately if you would like to join in the fun.

We have included the original message below.

We have completed the advance work for a long cruise including the dates Saturday, May 2nd, through as long as Sunday May 10th. Our past experience indicates that participants frequently must modify their plans, so we are asking you to each make your own plans with individual marinas. Below you will find contact information for each marina.

To make sure this event is a success, we need for you to let us know, ASAP, if you are interested in participating in either of the cruise plans, designated Group 1 or Group 2. When you respond, please let us know what role you are willing to fill, i.e., party planner, navigation help, communications, etc.

Feel free to start making marina reservations now. Also, get back to Tom Miller with your choice of group participation, so we can start work on the social side of the cruise.

Thanks for your attention. Please respond to ectgmiller@suddenlink.net, or 252-975-6479.
