For Boaters, By Boaters

About Us:

America's Boating Club®, sponsored by the United States Power Squadrons® is the world's largest recreational boating organization with more than 30,000 members. We learn together, boat together, and help each other and other boaters on the water and on land.

Improve your boating skills and knowledge. Learn from the best!

- On line courses
- Classroom with certified instructors
- Hands-on training on the water

Membership:

The only requirements for membership are a keen interest in boating-related activities and an eagerness to meet like-minded people whether power, or sail, or paddle boaters; however... **you don't need a boat to join.**

Education:

We have an educational program to meet your needs, whether you are a novice boater or an experienced mariner owning any size boat, sail, fishing boat or personal water craft.

Our instructors are certified, experienced members that will bring real world knowledge to every class to help you get the most out of your boating experience.
