

America's Boating Club of the Pamlico and Cypress Landing Yacht Club

DOWN EAST BEAUFORT, NC TO BEAUFORT, SC CRUISE
May 11 – May 30, 2024

[Click here](#) for more details on the cruise and ports in route.

This cruise has 15 legs from SC to NC. We have 4 boats confirmed at this point with a few more interested in portions of the trip. We hope many other boaters may be interested. There are numerous ways you could consider if your time doesn't allow the entire cruise by participating in parts of the cruise, several ports at the beginning of the plan or catch up with the boaters on the return to North Carolina.

Contact Mike Karlovick by emailing him at boatingactivities@pspsnc.com with any questions or to receive updated details as the cruise planning continues and other boaters join in. Mike does have Bob423 tracks that show a good path through tough areas on the ICW. You can add them to Aqua Maps, Navionics or your Chart plotters if you want.
