

America's Boating Club of the Pamlico & Cypress Landing Yacht Club Fall Cruise to Beaufort & River Dunes, NC

September 30th to October 4th

Our Fall Cruise has come together and we have a plan to enjoy two favorite destinations. Plus...the Pattons have rented a house on Adams Creek to celebrate Eddie's Birthday. They invited the cruisers to stop in for the night for burgers and hot dogs which is a perfect first stop. There is a 300-foot dock at the house but we may have to anchor out depending on depth and space. We will need to bring sides and special celebratory beverages. No gifts please, just joining in celebrating of his milestone birthday is a perfect gift! How cool is it that these two events lines up!

Then on to Beaufort, staying there two nights and enjoying the many activities Beaufort offers. Then heading to River Dunes to enjoy the night and get fuel before returning to Washington.

Slip Reservations:

Beaufort Docks Marina uses Dockwa for slip reservations. They require insurance and registration information uploaded to Dockwa or emailed to them.

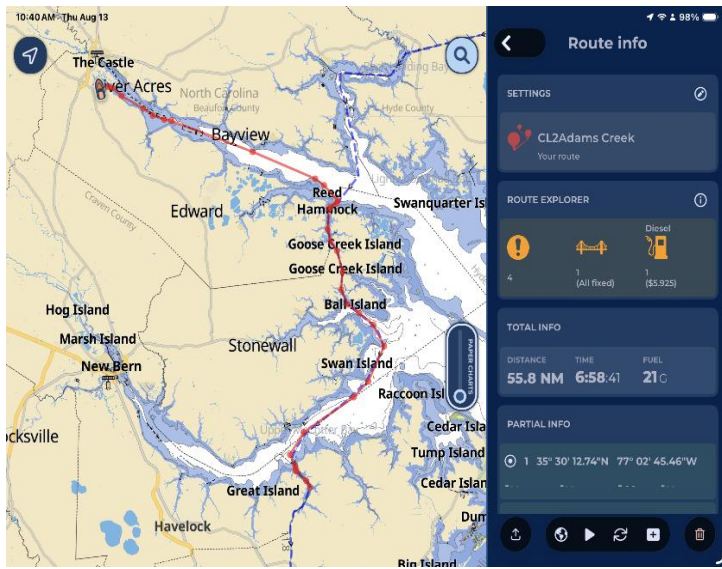

River Dunes uses Dockwa as well or you can email/call the dock master.

The following are route snapshots of the cruise plan leaving Washington area September 30th.
